

# DOOMSDAY PREPPERS

PREPARING YOUR LIFE AND FAMILY  
FOR THE END OF DAYS

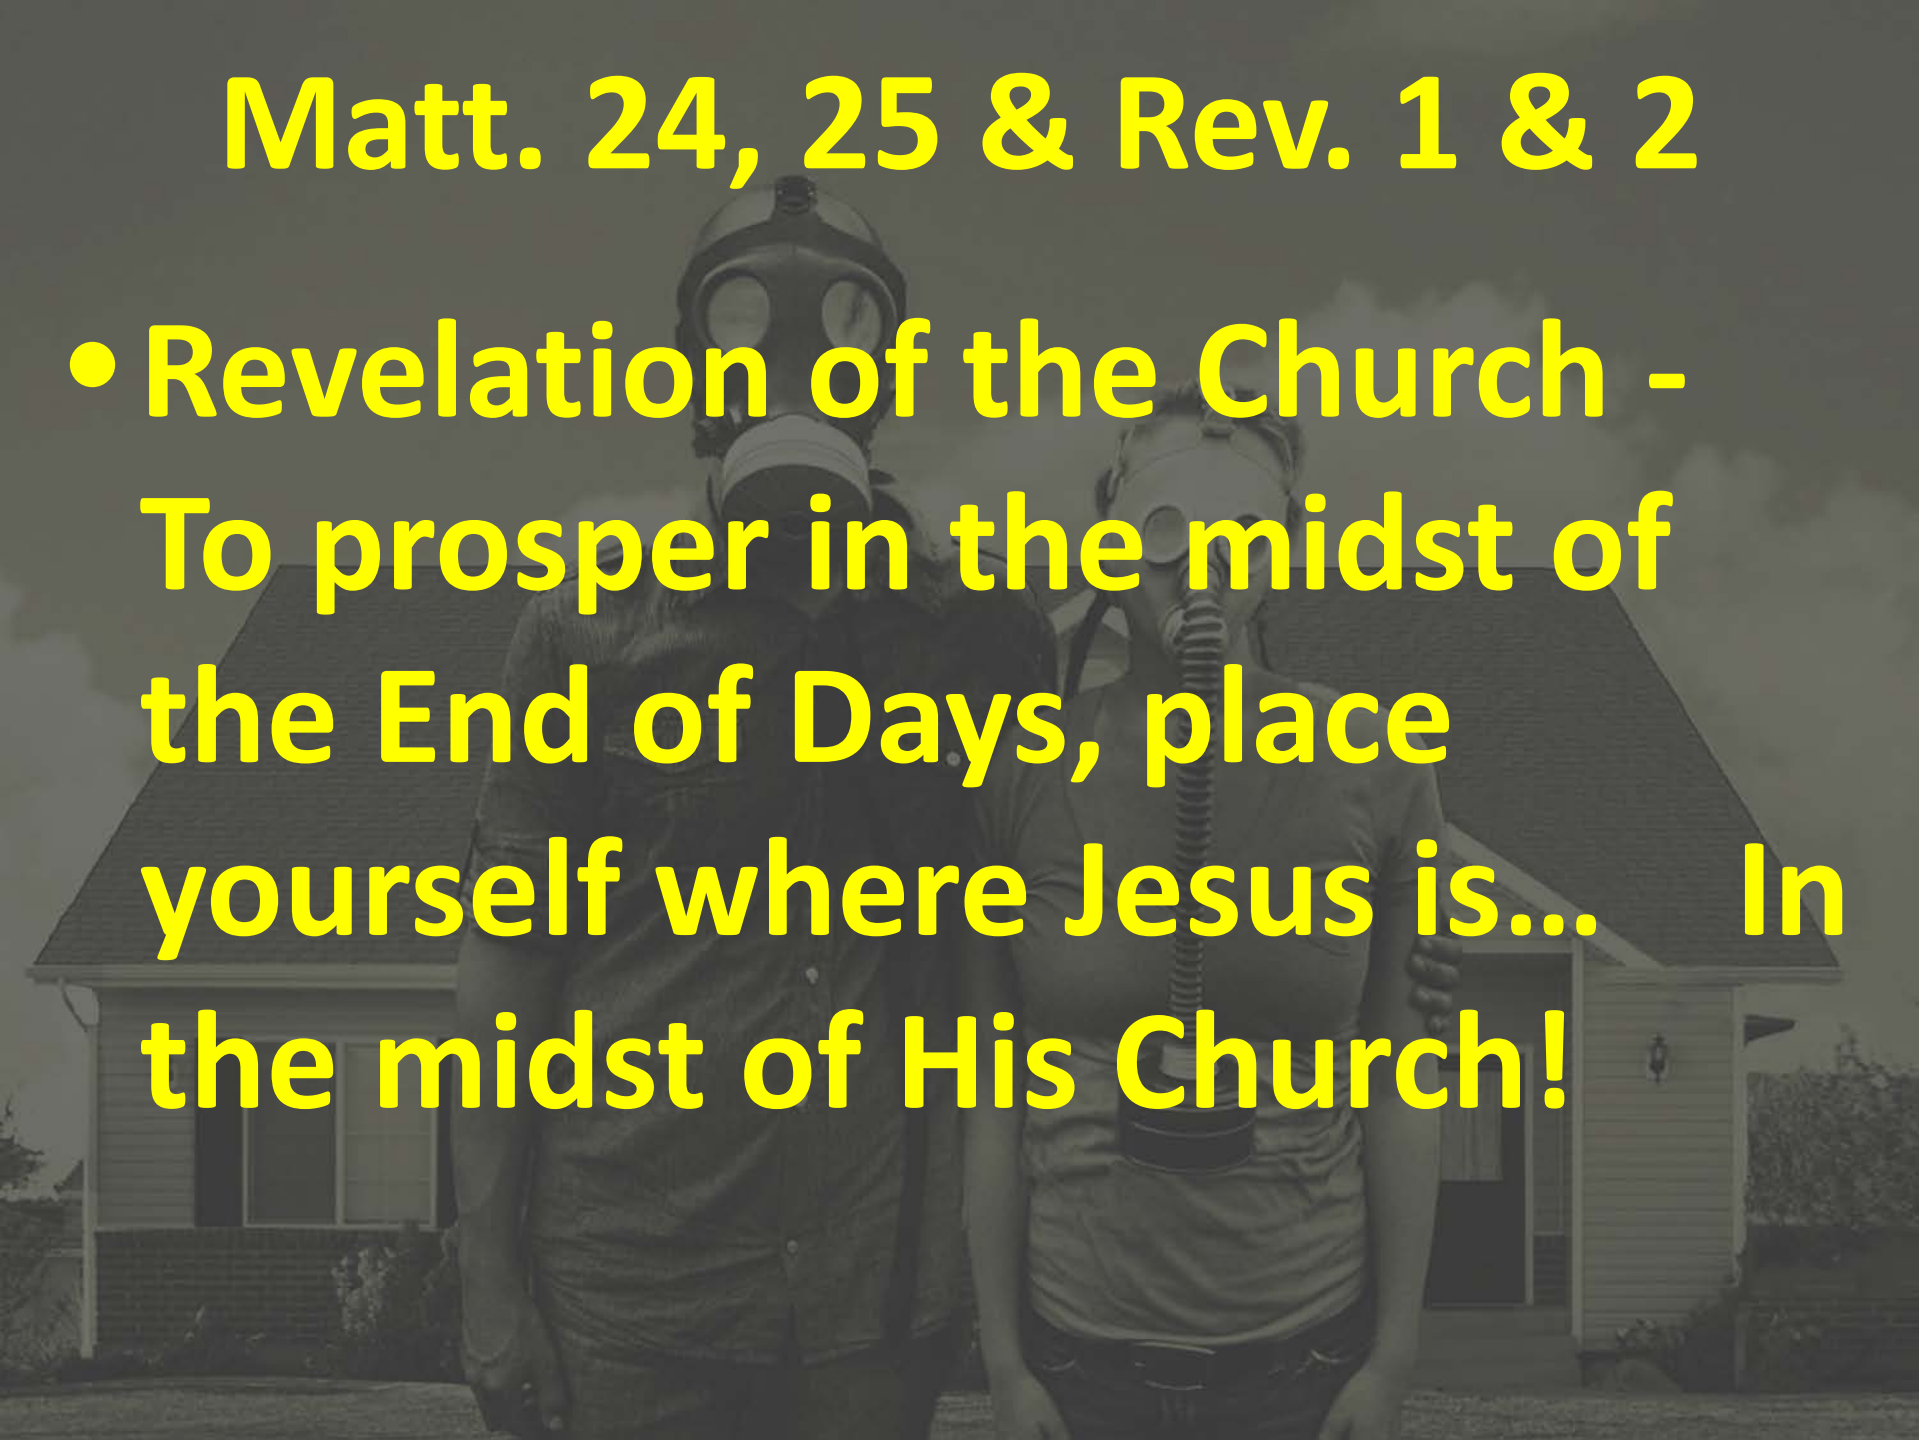

# Matt. 24, 25 & Rev. 1 & 2

- Overall Theme – Be ready for Jesus' return to planet earth!
- Revelation of Jesus - “To not be overwhelmed by the End of Days, we must be overwhelmed by the Ancient of Days!”

**Matt. 24, 25 & Rev. 1 & 2**

- **Revelation of the Church -  
To prosper in the midst of  
the End of Days, place  
yourself where Jesus is... In  
the midst of His Church!**

# Revelation of Relationship

A grayscale photograph of a man and a woman standing in front of a house. Both are wearing gas masks. The man on the left is wearing a dark, heavy-duty gas mask with two large circular lenses and a filter. The woman on the right is wearing a lighter-colored gas mask with a single lens and a long, corrugated breathing tube that leads down to a cylindrical container, possibly a water bottle or a filter canister, attached to her waist. The house behind them has a gabled roof and a front door. The overall tone is somber and apocalyptic.

In the End of Days, it's not  
prestige, position or property  
that will protect & provide.  
Righteous relationships with God  
and the Family of God; on the  
other hand, will.

# The Dynamic Duo

To guard and undergird our lives and families in the midst of these deceptive and difficult days, as well as be able to go into all the world with the gospel, we must be governed & guided by God's Holy Word and His Holy Spirit in all of our ways and in all of our days.

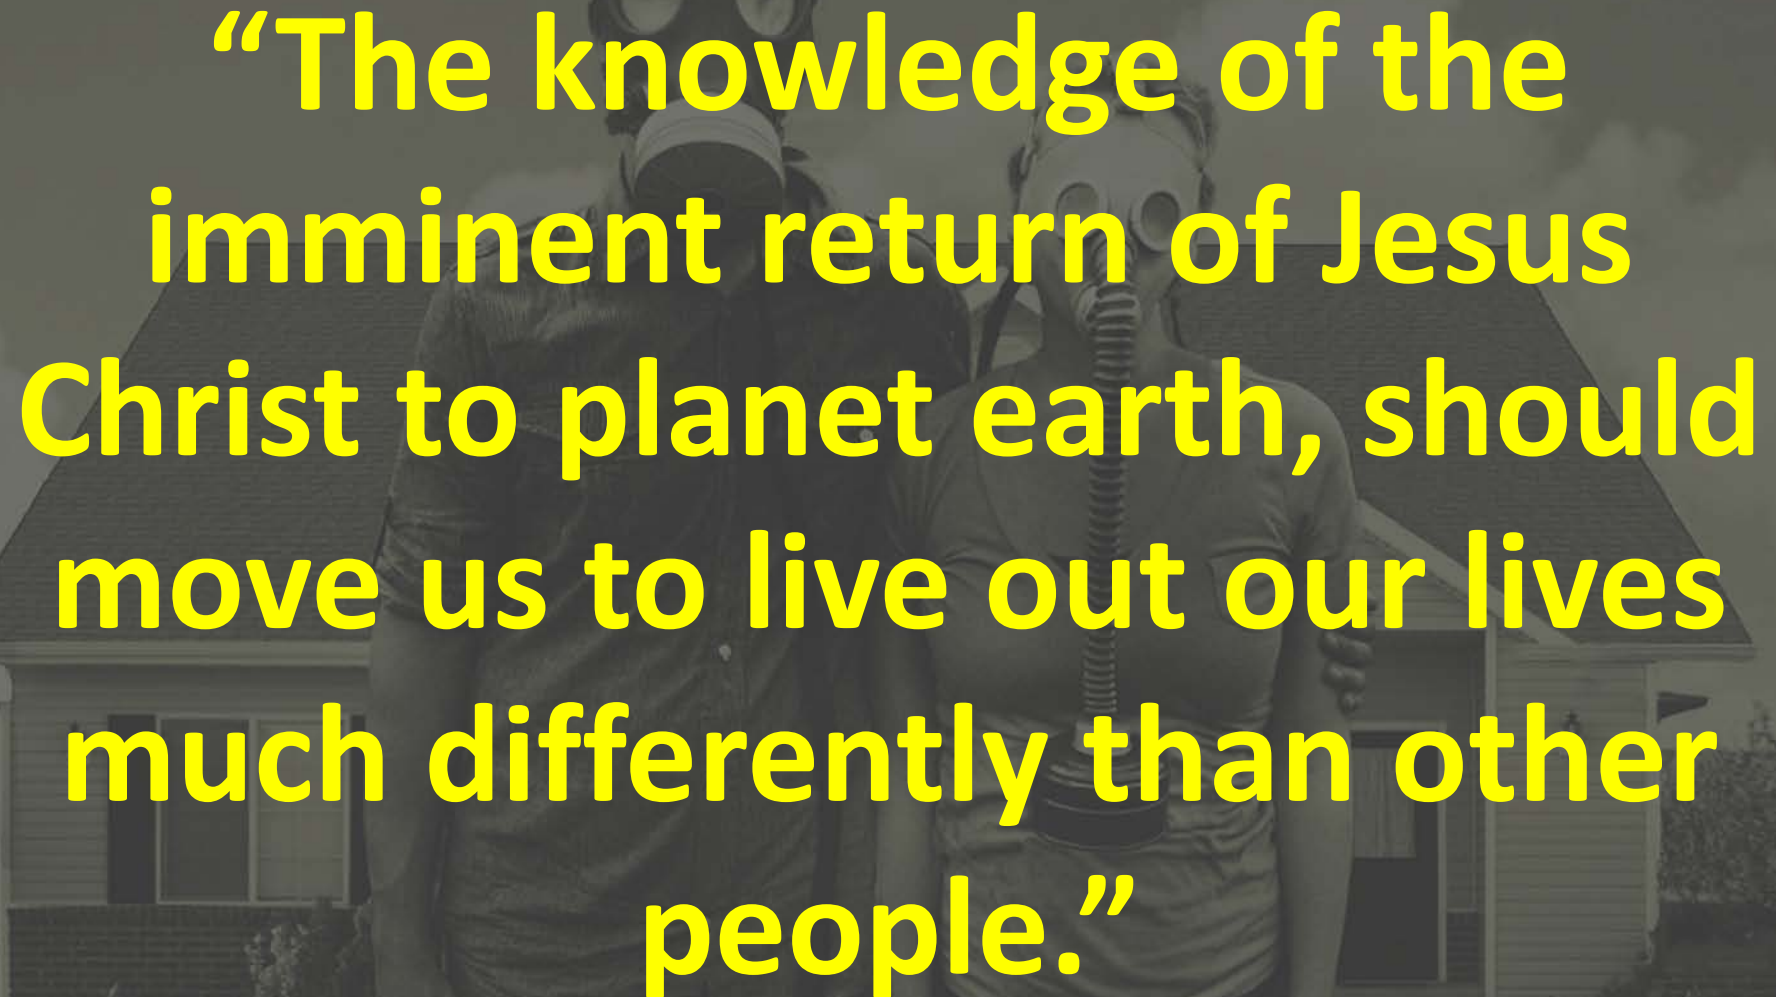

# Revelation of Responsibility

- 2 Peter 3
- Verse 11 – *“Therefore, since all these things will be dissolved, what manner of persons ought you to be in holy conduct and godliness.”*
- The antichrist spirit is on the offense! – 2 Peter 3:3-8

# Today's Main Power Point

“The knowledge of the imminent return of Jesus Christ to planet earth, should move us to live out our lives much differently than other people.”

A grayscale background image showing two individuals wearing gas masks. The person on the left is wearing a dark, heavy protective suit and a gas mask with a large cylindrical filter. The person on the right is wearing a light-colored t-shirt and a gas mask with a long, flexible corrugated tube leading to a filter. They are standing in front of a house with a gabled roof. The overall tone is somber and suggests a theme of environmental or chemical hazard.
