

The background features a dark, almost black, space filled with vibrant, ethereal light trails in shades of teal and cyan. These trails swirl and flow, creating a sense of dynamic energy and movement. In the upper right corner, a bright, glowing blue light source creates a soft, out-of-focus halo. A faint, vertical grid pattern is visible in the center, suggesting a digital or architectural theme. The overall aesthetic is futuristic and high-tech.

The Breaking Point

The Breaking Point

The point where undue stress and pressure causes fissure and fracture.

Point to Ponder

Before you ever come to your
BREAKING POINT, you better come to
the point of your BREAKTHROUGH!

- The point of breakthrough is found
in the presence of JESUS!

This morning...

- The point of breakthrough is also found in the presence of His people!
- Note the plurality - "let us"

Point to Ponder

As the world moves closer
and closer to her breaking
point, the church must move
closer and closer to her
bonding point!

Hebrews 10

1. *Let us draw near*
2. *Let us hold fast*
3. *Let us consider one another*
4. *Stir up love and good works*
5. *Not forsaking*
6. *Exhorting one another*

Our new vision directive

- We're called to GATHER
- Our BREAKTHROUGH is found in the presence of Jesus and in the presence of His people!
